**Note to U8s:** At this age we are trying to encourage the kids to kick the ball instead of just dribbling into the goal. AYSO 364 has chosen to implement "The Zone" to help with this. U8s will be required to shoot the ball from outside the circle in front of the goal in order to score a point.

**\*\*\*When Girls Teams are playing Boys Teams--The girls will be allowed to play up one player if they are down by four goals.\*\*\***
